Kids at Heart

giving them the 
the 
and the 

caring for children. Mind. Body. Soul.

Join Our Little Haven's Kids At Heart:

“giving them the sun,
the moon, and the stars”

We invite you to become a charter member of the Kids At Heart Club and join our efforts to give abused and neglected children in St. Louis a chance for a new start.

What Kids At Heart Can Do

The Kids At Heart Club allows friends and supporters of Our Little Haven to proudly proclaim they are Kids At Heart. As an annual member, you play a critical role in funding programs giving abused, neglected or abandoned infants and children all they need to recover, make a new start and reach for the stars of their full potential.

Your support heals a mistreated child's body and restores an abused child's broken spirit. You bring the light of hope to a child who is abandoned and alone.

Our Little Haven puts your gift to work. There's no need to worry about administrative red tape or wasted donations. We are a local organization, and 100% of every dollar received is reinvested in our community's children. Your generous support will help Our Little Haven serve the youngest children affected by abuse and neglect in St. Louis.

We invite you to be a charter member of **Kids At Heart** and join our efforts to give abused and neglected youngsters the sun, the moon and the stars. This annual giving club is not restricted for only those who can give \$5,000 or \$10,000. Membership begins at \$500, which makes a tremendous impact on the life of a child.

Benefits of Giving

Kids At Heart recognizes its members by inscribing their names at the Haven, listing them in the Annual Report and in the biannual newsletter. Each Kids At Heart member receives a Kids At Heart certificate, special member events and communications.

Those who join Kids At Heart at the Moon Level and the Star Level receive special recognition. All donations to Our Little Haven are tax deductible to the extent provided by law; there may be Missouri state tax credits available for qualifying donors.

Our Little Haven depends on the compassion of supporters like you who hold the kids close to their hearts. Won't you answer the call and join our roster of annual members? The enrollment form is on the back cover.

Gifts to Share

There are many ways to show your support and join the Kids At Heart Club other than an outright monetary gift. **Stock** - Contributions of appreciated stock. **Wills** - This may be in the form of an outright gift or a planned giving opportunity. **Gift Annuities** - Assets can be used to establish a gift annuity which, in turn, will guarantee income payments for life. **Life insurance** - Small life insurance policies that have matched or exceeded their cash values can be donated to establish a Kids At Heart membership. For more information please contact Rich Fanning, (314) 533-2229, x232.

Cumulative Gifts

Members whose cumulative giving over time demonstrates their extraordinary commitment to children are recognized for their generosity at the following levels:

- Cumulative Gifts to \$10,000: BrightSTAR
- Cumulative Gifts to \$25,000: STARGazer
- Cumulative Gifts to \$50,000: SuperSTAR
