

# WE'RE BUILDING

## A SAFE AND WARM SPOT!

*Imagine.....Happy little feet (and hands!)  
on warm, bright bricks.....*

*A bright spot you can feel and touch.*

*And it is located at a place just for babies and  
children: A place to be healthy, happy and loved.  
.....A place to be safe.....and warm.*

We're surrounding the angel statue at Our Little Haven with engraved bricks. You can recognize and celebrate family and friends, and join in Our Little Haven history by purchasing a brick. All engravings are quality, epoxy-filled to last a lifetime. Best of all, your gift will help Our Little Haven to serve infants and children ages birth through five who are abused or neglected, drug affected, or HIV impacted. **Your gift will help these children have futures that are safe, warm and bright.**

**YES!** I will buy a brick to help keep Our Little Haven's children safe and warm.
