The Schellhardt Family is committed to helping us "fill those cookie jars"!

It's A Family Tradition!

In the Schellhardt family, giving and caring for others less fortunate is just part of being a Schellhardt. Mama and Papa Schellhardt started the family tradition of giving to Our Little Haven in the early '90s. Their tradition has grown to include 8 children and 12 grandchildren.

The Schellhardt Family giving tradition drew added momentum and inspiration through granddaughter Audrey as an 11-year old in 2011. When asked what she wanted for Christmas she said: "Give my presents this Christmas to someone who may not have any".

The family's giving tradition continued strong this year. The children and grandchildren shopped for gifts on the Our Little Haven Wishlist. And together the grandchildren made their yearly trip to Our Little Haven to deliver the Schellhardt Family's generous donation.

Our Little Haven is grateful to families like the Schellhardts who instill the spirit and compassion of giving, and what it means to give to others who may not be as fortunate. We look forward to our yearly visit from the Schellhardt grandchildren as well as from many of our wonderful donors who share in our Mission during the Holiday Season. Thank you to all who gave so generously on behalf of the children and families we serve!

Full Cookie Jars

Every hug, kiss, high-five, and celebration --- we get a Cookie in our Cookie Jar. These Cookies nurture us for the rest of our lives. Children come to Our Little Haven with Cookie Jars that aren't full. It's our job, with your help, to fill these Cookie Jars.

Children and families come to Our Little Haven with complex needs due to mental and/or behavioral health concerns, abuse, neglect, trauma or abandonment.

Our Little Haven therapists and case managers provide professional *early intervention services* to set groundwork for success and help make their lives more hopeful.

Thank you!

Christmas Cookie Jars Big Hit!

What a delicious way to give. This year over 300 Christmas gifts were donated through cookie jar giving. Each group received their own cookie jar filled with Christmas cookies from Colleen's Cookies, and on the back of each cookie was a special wish for a child helped by Our Little Haven. Thank you to St. Ambrose Students, Aetna, Kiwanis Club, H& H Health Associates and Our Lady of Providence Church.

We look forward to passing out more cookie jars with special wishes next holiday season. For more information contact Chris.

With tremendous community support, we were able to provide a Happy Holiday for so many children this year. Adopt-A-Family was more successful than ever. We had 90 children 'adopted' (ages 12 and under) and 15 teenagers 'adopted' for Christmas. **Thank you to everyone who made the Season bright!** Between the young men of the SLUH Hockey Team and **Keith Martin's** generous group at **Streib Electric** and **John & Marianne Iovaldi** of **Pietro's** who provided the lunch, a great time was had by all at the Christmas Party! Each year **Streib Electric** provides a Christmas party for a Our Little Haven's Foster Care Case Management children at the OLH Taylor Family Care Center. Santa made a surprise visit this December to say hello to the

Judy Combs Memorial

The Our Little Haven Family lost a good friend recently as Judy Combs left this world for bigger and better adventures and we ask you to keep the Combs family in your prayers. Judy was precious to us - she wasn't afraid to get "down and dirty" for the sake of the kids and families we serve - she was our Friend, Cook, Confidant, Cleaner, Santa, and she kept us on our toes - above all else, she helped us serve those who otherwise wouldn't have a chance. She loved her God, her family, her friends, her ACTS sisters and brothers, her Mother Church and anyone even remotely associated with Our Little Haven - she loved making people smile, she sought opportunities to be helpful and she loved cooking and sharing her food. She was faith-filled, faithful, prayerful, humble, a humorist, a prankster, a good friend able to see the positive side of everything and the life of the party. And now she's Home.
