Dear Name, Name Name,

Cookies and the Holidays mean so much at Our Little Haven. They help us understand how we can help children. Here at Our Little Haven, we believe that when we are born, God gives us all a Cookie Jar, and with each positive experience---every hug, every success in our young lives---we get a cookie in our Cookie Jar. These cookies nurture us for the rest of our lives.

Thanks to your past support, Anthony's Cookie Jar is full. He came to Our Little Haven 16 years ago as a little boy, scared, alone and in need of love. Because of Our Little Haven's compassionate care, Anthony's Cookie Jar is full.

We are so proud of Anthony. He is continuing his education so that one day he can fulfill his dream of working with children like him---children who need help filling their Cookie Jars---just like he did. Thank you for filling Anthony's Cookie Jar!

Will you help us continue to fill Cookie Jars for children just like Anthony? On behalf of the special children and families, we are grateful to you.

Your financial contribution helps make sure that children and families in need have our support and care. You can also give securely at ourlittlehaven.org. Your gift will make sure their Cookie Jars are full, and we thank you.

Happy Holidays to You!
