Dear Name, Name Name,

Holiday Greetings to you, and many blessings to you and your family! At this special time of the year for sharing, we'd like to share our story with you—and share our success.

back when. There are many, many children who need Our Little Haven's help today.

We invite you to consider donating this year to help Our Little Haven serve kids like us. We are living proof that compassionate early care can make a lifetime of difference for children who urgently need help.

On behalf of all the children, we thank you! Your financial gift helps Our Little Haven care for more children and families throughout the year to come.

Both Anthony and Ricky are continuing their college studies; both are looking forward to working with children.

Happy Holidays to You! Thank you!
