

HOLIDAY

Adopt a Family Project

*Caring for Children.
Mind. Body. Soul.*

It's that time of year when we want to assure that the children and families in our programs are assisted in having a special holiday. You are so kind to volunteer for this project.

HOW it WORKS

I will match families with adopters and send out the information.

WHAT WE ARE ASKING:

It is our hope that each child, newborns through 12 years old be provided:

- ~Two new items such as toys, games, etc. and
- ~An outfit of clothing which may include shoes

We would like to provide the teenagers in foster care with a gift card, available at any checkout where gift cards of all kinds are sold.

**The date for gifts to be turned in is:
Monday, December 5th, 2016.**

DETAILS:

Please deliver gifts to Sharon Whalen in order for the caseworkers to deliver the gifts to the families. Please leave them *UNWRAPPED* and if you are able to, please include wrapping paper so the adults in the family may have the pleasure of wrapping them.

Deliver to:

Once again, thank you so much. "One laughter of a child will make the holiest day more sacred still."
