# *the* OUR LITTLE HAVEN COOKIE JAR STORY

We believe when we're born, God gives us a Cookie Jar. As we grow up we get a cookie added to our jar for each positive experience we have. So each hug, high-five, or smile adds a cookie to our jar.

At about ten years old, when we reach the end of our formative years, our Cookie Jar gets sealed up. The contents of that Cookie Jar is what nurtures us for the rest of our lives. Fortunately, most of us go through life with a pretty full Cookie Jar.

The kids at Our Little Haven have empty jars. And thanks to you, along with the right programs and therapies, together we are filling their cookie jars every day.
