

Therapeutic garden where children learn important nurturing skills

Unique cubby system gives each child their own private space

Sensory room equipped with ball pit, swing, trampoline, crash pad, and more

Our Little Academy Day Treatment

Our Little Academy is Our Little Haven's day treatment preschool for children ages 3-5. Children's social, pre-academic, and mental health needs are addressed through structure, routine, and intensive treatment.

Who Qualifies?

Children ages 3-5 who have struggled to be successful in traditional preschool programs. No formal diagnoses or previous psychological evaluation required for admission. Families must be willing to make a 6 month commitment.

On-Site Services

Our Little Academy simplifies the difficult task of taking your child to and from a variety of appointments by offering a wealth of services on-site including:

- Individual and group psychotherapy
- Social skills activities promoting emotional stability, appropriate peer interactions, healthy sleeping and eating habits, manners, coping skills, and more
- Learning centers to strengthen pre-academics and prepare children for Kindergarten success
- Psychiatric services provided by a part-time contracted psychiatrist
- Speech, Occupational Therapy, and Physical Therapy services (for eligible children) provided by a contracted agency
- Parent meetings to provide psychological information, behavioral strategies, and support for families and caregivers

Qualified Staff

All services are provided by compassionate, highly trained staff dedicated to each child's wellbeing and development. All staff members hold Master's degrees in mental health

disciplines.

Program Information

Our Little Academy has a maximum enrollment of 8 children with a 1:3 staff/student ratio allowing for individualized and highly supervised interventions.

Programming is year round and starts at 8:00 am and ends at 3:00 p.m. Pick up is between 3:00-3:30 p.m.

Our Little Academy does not provide transportation, but is centrally located on bus

routes and near MetroLink lines. Transportation subsidies are available.

Payment Options

Funding options include Medicaid support for children in foster care or with state of Missouri adoption subsidy, sliding fee scale payments, and scholarships.

Day Treatment
at Our Little Haven

Since 2005, Our Little Academy Day Treatment has been providing exceptional mental health treatment for young children with social, emotional, and behavioral challenges. We work closely with caregivers and an expert team of professionals who specialize in early intervention services. Together we help children reach their full potential and have some fun along the way.

Our Little Haven is relentlessly committed to providing early intervention services for children and families. Our community of professional caregivers creates a safe, secure, and healing environment for those impacted by abuse, neglect, and mental or behavioral health needs. We make the hurting stop, the healing begin, and the love last, one family at a time.

Keystone offers a broad range of mental health care. Licensed psychologists and clinical social workers provide mental/behavioral health care for infants, children, adults, and families. Our mission is to improve the mental health and well-being of clients, many who have limited access to mental health care, by decreasing symptoms, increasing functioning, and through early intervention.

Our Little Academy Day Treatment provides exceptional mental health treatment for young children with social, emotional, and behavioral challenges. We work closely with caregivers and an expert team of professionals who specialize in early intervention services. Together we help children reach their full potential and have some fun along the way.

Taylor Family Foster Care is family-centered and culturally competent. Care coordination is provided by dedicated case management professionals and a registered nurse for medical case management. These professionals are dedicated first and foremost to the safety and well-being of the children and families they serve.
